DESIGN IN MOVIMENTO

## YOU ASSEMBLE IT!

Fast fitting backrest

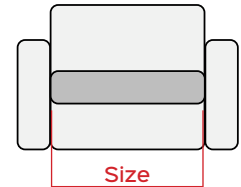

Fast fittings seat

Fast fitting armrest

Fast fitting footboard

Finishes: ● AA (shiny black)  
● GP (chrome grey)  
○ CW (antimicrobial white)

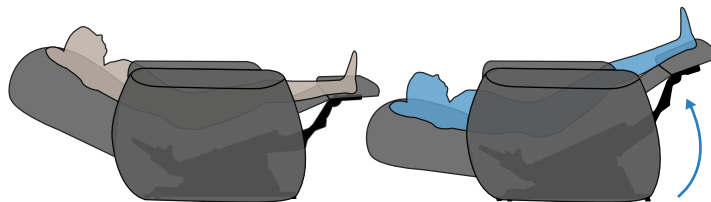

Standard sizes (mm)

520

Motorized	25kg+/-1kg	Armchair	MAX 150kg 330lbs	Cycles:30.000	2YEARS Mechanism 2YEARS Actuator Warranty
-----------	------------	----------	---------------------	---------------	---

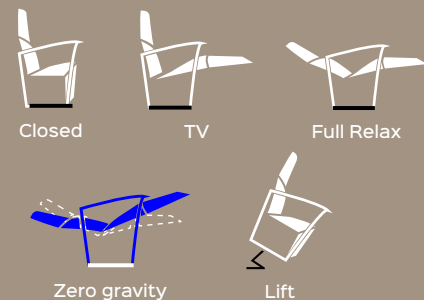

### Position comparison (Full relax - Zero gravity):

FULL RELAX Position

ZERO GRAVITY Position

### Positions:

**Benefit:** Lift mechanism designed to ensure high lifting performance and comfort, facilitating the everyday life of the most needy user. Two actuators regulate the different movements in order to ensure infinite positions of use: closed, TV, 0 gravity, full relax, lifting (lift). What distinguishes this product from the others in the family is the "0 gravity" position. The "0 gravity" position further amplifies the comfort you have in the "full relax" position. In addition, thanks to this additional inclination that aligns the legs to the heart, blood circulation is also improved. Thanks to the quick coupling system for

stem, the assembly is even easier so that even the user can install it easily.

**Medical version:** The peculiarity of this mechanism is the possibility of obtaining it also in the medical version. This special version, designed for the medical sector is presented with a white antimicrobial finish, the IP54 actuators (degree of protection against dust so as not to interfere with the operation of the device. The product is completely protected against solid objects and splashes of water) and dedicated optional.

### Optional

SOME ACCESSORIES	KIT SUPPORT CONTROL BOX	KIT SUPPORT BATTERY	DORSAL	ELECTRIC KIT	ACTUATORS	CONTROL SYSTEM	TOUCH SENSOR			
	TROLLEY	KIT SUPPORT CONNECTOR	ARMREST		KINETIC		PLUGS & CABLE EXTENSIONS	POWER SUPPLY & BATTERY PACKS	WIRED/ WIRELESS REMOTES	BUILT IN SWITCHES
	HEADREST & RATCHETS	FINISHES	HANDLE		SITTING SHASSIS		SMARTPHONE CONTROL SYSTEM	CONTROL PLATES
